

Art Therapy Studio

ART THERAPY INFORMATION SESSIONS

Information sessions are open to students, potential volunteers and anyone interested in knowing more about the Art Therapy Studio and the field of art therapy. These sessions are offered monthly and available at no charge. Since the sessions are small (2-5 people usually attend), please make every effort to attend once you register. You will be asked to leave a credit card number to hold your place. If you need to cancel, please call the office by noon of your session date to avoid being charged a \$15 cancellation fee.

Each session will contain information about the Art Therapy Studio (ATS), our history, types of programs (Discover the Artist Within You (community classes), individual art therapy, children's program, staffing, settings/locations, contracted art therapy services for agencies within the community, corporate wellness programs, and professional training workshops).

We will also discuss types of art therapy, training, experience needed, and credentialing. Time allowing...a question and answer period will conclude the session.

Persons interested in volunteering, or graduate students interested in doing clinical work at ATS, should bring their current resume, and times & dates when they are available.

2012
