

IN THE GARDEN,
A NIGHT OF DELIGHTFUL DECADENCE...

Sweetest Day Delights

ART THERAPY STUDIO
CREATIVE CONFECTIONS DESSERT COMPETITION

SATURDAY, OCTOBER 16, 2010
CLEVELAND BOTANICAL GARDEN

A COMPETITION BETWEEN NORTHERN OHIO'S FINEST PASTRY CHEFS, BENEFITING THE ART THERAPY STUDIO

Sweetest Day has been a Cleveland tradition since 1922, originally a day of philanthropy to remember those in hospitals or with disabilities, to spread hope and happiness with sincere gestures of kindness.

The Art Therapy Studio is the oldest expressive arts therapy program of its kind in the country. Since its inception, our programs have been developed around the philosophy that art making is central to healing and wellness. In the safe, creative space of the studio, a person is invited, guided and encouraged by the artist/therapist to rediscover him or herself through the art making process.

The mission of the Art Therapy Studio is to *enhance the quality of life for children and adults affected by spinal cord injury, brain trauma, stroke and multiple sclerosis through the therapeutic use of art.*
