

YOU CAN BE AN IMPORTANT PARTNER IN CONTINUING THE NATION'S GREATEST ART THERAPY LEGACY

**ART
THERAPY
STUDIO**

SINCE 1967

For 50 years, the Art Therapy Studio has impacted the lives of tens of thousands of individuals facing physical, cognitive, and emotional challenges. Throughout these five decades, our ability to serve the community and expand services has been possible thanks to our friends, supporters and donors. Without you, we would not be able to provide scholarships to our many artists in need of financial assistance, nor would we be able to enhance our art therapy services by offering a wide variety of specialty classes and forming new community partnerships.

We thank you for your support of our studio during the last half-century! As we celebrate our past and look to the next 50 years of growth, healing, and wellness, we are counting on you to make a contribution to support our mission.

All financial contributions are used to directly serve our client artists in the Discover the Artist Within You program, which allows individuals with a variety of physical, cognitive, and emotional challenges to improve their lives through the therapeutic use of art. Our Discover the Artist Within You program can benefit from financial contributions in many different areas.
